

Intro to Flexo 2-day (In-Depth) Training Itinerary

Day 1

9:00am-9:30am	Donuts and Coffee
9:30am-10:00am	Each attendee will be given a short test on their knowledge of Flexo. (The instructor will go over the test at the end of the seminar so that each person can gauge what he or she learned in these 2-days.)
10:00am-11:00am	Learn how plates are made.
11:00am-12:00pm	Press Safety and Press Functions
12:00pm-1:00pm	Lunch
1:00pm-4:00pm	On press Plate Mounting Run a 4-Color Process Job

Day 2

9:00-9:30am	Donuts and Coffee
9:00am-12:00pm	<u>Hands on Training</u> Each student will setup and convert 4-color process in less than 500 feet. We will be learning perfect impression and what that means.
12:00pm-1:00pm	Lunch
1:00pm-3:30pm	<u>Hands on Training</u> Each student will once again be asked to setup the 4-color jobs you did previously, except this time we will be doing it inside a constraint time frame.
3:30pm-4:00pm	The Instructor will go over test given at the beginning of the seminar and answer questions.
